

WELCOME TO ÄNGSÖ INTERNATIONAL JMI AT ÄNGSÖ GOLF CLUB ON JULY 4-5, 2021

About Ängsö GK:

Ängsö Golf Club was founded in 1979 and the golf course opened its doors in 1985. The golf course is located in a nature conservation area outside Ängsö nature reserve, which is about 20 km from the center of Västerås. The course is a combined forest and park course situated in the beautiful nature around Lake Mälaren. Both beginners and elite players find this course very interesting to play, due to the large variation that can be made thanks to many different tee boxes and relatively large and challenging greens.

More information about the club can be found at www.angsogolflubb.se
